

Review

- [Noughts and Crosses \(Tic-tac-toe\)](#).

HTML<div> Tag

- Like invisible box
- Group HTML elements

HTML<css> Tag

- CSS is a programming language to change how to show a HTML element
 - size
 - shape
 - color
 - position

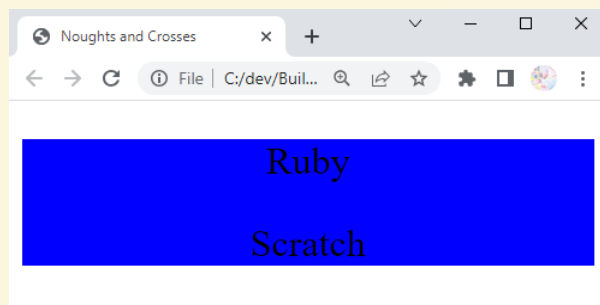

HTML<css> Tag

- Basic CSS

```
<!DOCTYPE html>
<html>
<head>
  <title> Noughts and Crosses</title>
  <style>
    .names {
      font-size: 16pt;
      text-align: center;
      background-color: blue;
    }
  </style>
</head>
<body>
  <div class="names">
    <p> Ruby </p>
    <p> Scratch </p>
  </div>
</body>
</html>
```
